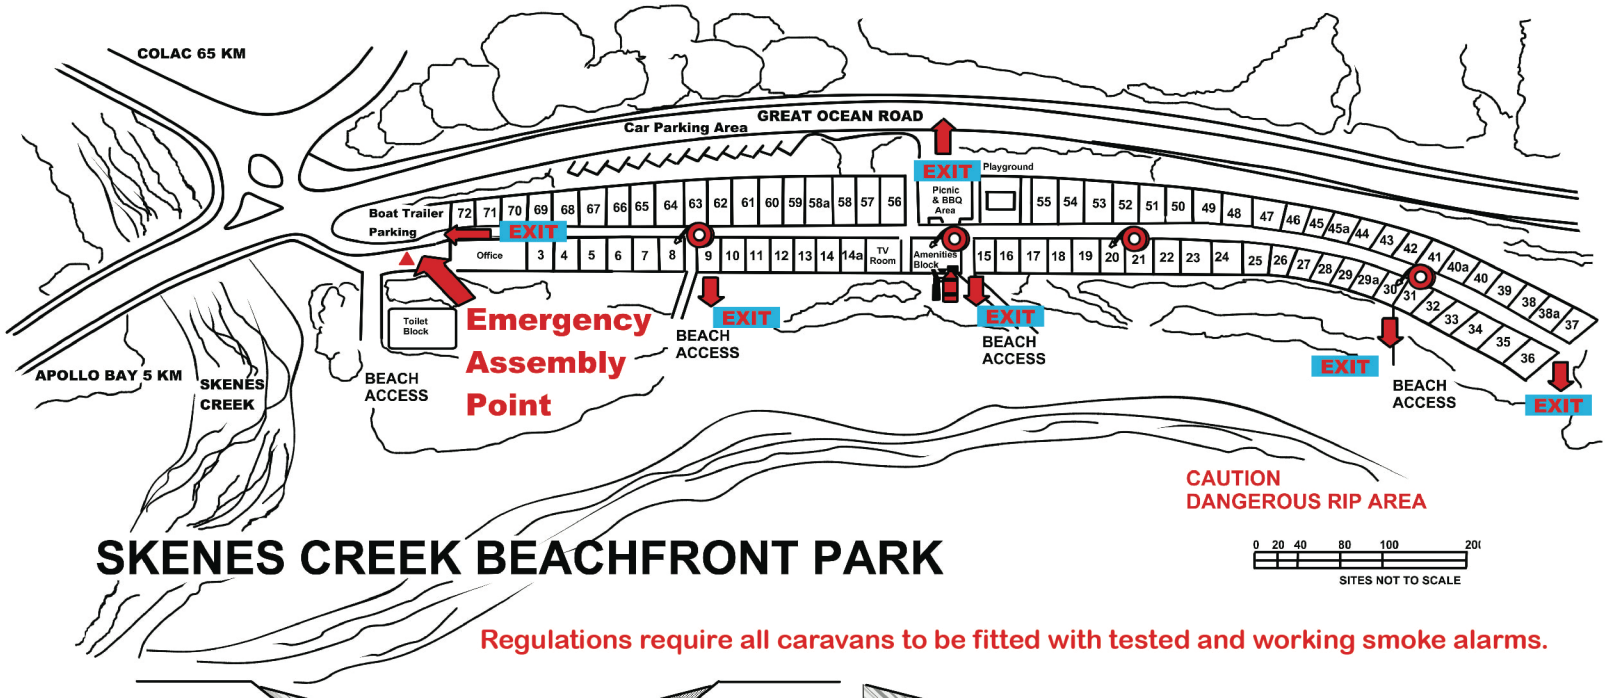
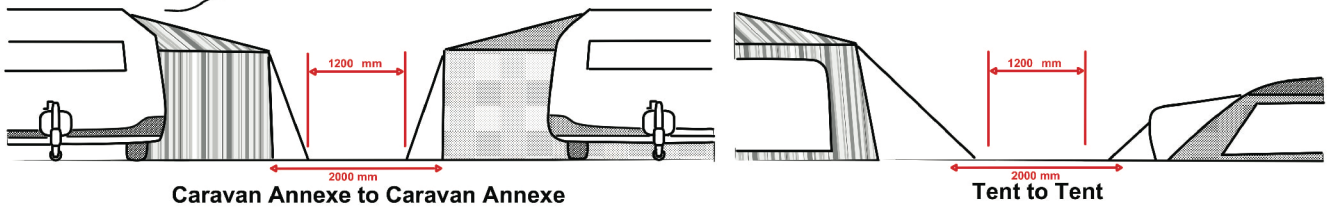
EMERGENCY EVACUATION

EMERGENCY FIRE REELS AND EXITS



Regulations require all caravans to be fitted with tested and working smoke alarms.



DISTANCE REQUIREMENTS

What to do on Park Fire Ban or Total Fire Ban Day

>Do not use any wood fires, gas BBQs or heat beads.

What to do with a cabin or tent fire

>Evacuate all people to a safe area away from the fire.
>Do not re-enter the cabin or tent at any time.
>For minor incidents advise park staff.
>For major fires call 000.
>If safe to do so, fight fire with available equipment.
>See map for hose reels and extinguishers.

What to do in a medical emergency

>Call 000.
>Advise park staff.
>Apply first aid.

What to do in a severe storm

Caravans

>Close all doors and windows.
>Stay inside.

Tents

>As well as possible, secure tent to the ground.
>Drop if necessary.
>Take shelter in the park's Amenities Block.

STAFF CONTACTABLE 24HRS ON 0418788516 OR CALL 000.
